Dear Parents and Carers and Families,

Welcome to this week's newsletter. We have been very busy over the last couple of weeks, I hope you enjoy reading all about some of the things your children have been enjoying!

Ofsted Celebration Lunch

Last Friday, the whole school enjoyed a 'Subway' style lunch to celebrate our Ofsted success. The children were thrilled to be able to put together their own choice of sandwich filling – who knew that having a choice of pepperoni would cause such excitement! The ice-cream bar was also a big hit! Huge thanks to Angie, our school cook, for all of her hard work in making this such a special treat. A special thank you also to my excellent party planners in Year 4!

Football Competition

Our Year 5/6 team made a fantastic start to the Create Learning Trust competition last week. They demonstrated great sports values and teamwork. Well done everyone!

Pumpkin Fun

This week, our Year 6 and Reception buddies had the chance to make a little visit to the pumpkin patch on the farm next door. Christine showed the children all of the pumpkins in their natural habitat - in all their wonderful shapes and colours. Big thank you to Christine and we look forward to working together on more projects in the future.

Pupil Parliament

Two pupils from Year 5 have been selected to be our new Pupil Parliament representatives. They were invited to attend the first of this year's meetings at Weaverham Forest Primary School last week. They shared the school values we hold at Little Leigh and met with children from schools across the local area to consider how schools can work together to promote their positive values. They did a great job of representing our school!

PUPIL PARLIAMENT

FOLLS

FOLLS held their AGM this week. It was a great opportunity for us to spend some time discussing the many successes of their work over the last year – by members past and present. There are some very exciting plans for fundraising events this year; events that I'm sure your children will thoroughly enjoy. Don't forget that next Tuesday is your opportunity to purchase pre-loved Halloween costumes at bargain prices! Any donations of costumes that your children have grown out of will be gratefully received at the school office.

This week, we had a visit from Mid Cheshire Food Bank to tell us about all of the amazing work that they do for people in the local community. They explained how they help people at risk of going hungry and the types of items that a food parcel might contain.

As part of our harvest celebrations at school, we would like to ask for donations that we can pass on to Mid-Cheshire Food Bank so that we can help people in our community that are in need. Here is a list of items that are always in demand:

- Breakfast cereals
- Soup / Snack Meals
- Pasta / Rice
- Pasta Sauce
- Tinned Meat and Fish
- Tinned Vegetables
- Tinned Fruit
- Tea and / or Coffee
- Longlife Milk
- Toilet Roll
- Store Cupboard Staples

JUNIOR SAFETY OFFICERS

Our two junior safety officers in Year 6 work with CWAC (Cheshire West and Chester) to promote road, community and personal safety messages to their fellow pupils and the wider community.

They would like me to attach their October Bulletin for you to read. It provides a very timely reminder for children about how to keep safe during Halloween and Bonfire Night.

TAKE A PEEK

If you would like a closer look at where your children spend their day, we have a virtual tour of the school available to view on our website. It shows the beautiful, calm and purposeful learning environments we provide for the children. The QR code below will take you straight to the video. Enjoy!

Create Learning Trust Work

Last week, an annual review of SEND was conducted by our Trust Inclusion Lead with the leadership team in each school. The evidence will enable the trust to understand the views of the various stakeholders within each setting and look for opportunities to strengthen SEND provision across the trust.

I hope you all have a lovely weekend and we look forward to welcoming you back for the last week of the half term on Monday.

Mrs T Clarke
Headteacher

If you would like to see more of what your children have been enjoying at school, join us on our Facebook and/or Twitter page (@LittleLeighSch).
