### Happy Children

Many apologies for this but somehow I missed Reception and Year 1 off the happy list on my newsletter! I couldn't possibly break up for half term without congratulating our youngest children for the fabulous start they've had to 2021-22.

#### **Year 1**

Your children have impressed me enormously with how they have settled into life in Year 1. Although many aspects of learning are consistent with Reception class, they have also embraced the more 'grown-up' aspects of the school day. I am so aware of how much time the children missed from their education last year so this makes their achievements this term even more impressive! They have loved story writing about the Naughty Bus and learning about Autumn in the forest. You should all be very proud mummies and daddies!

#### **Reception Class**

The children have settled into school life SO well – it's hard to believe that they've only been in school for eight weeks! Every time I go across to see them, they're completely engaged in their learning – whether it's being sat on the carpet listening to a story; playing in the classroom or enjoying some outside fun. They have really enjoyed spending time with their Year 6 buddies – I think there are some very special friendships being formed! Miss Lloyd, Mrs Oultram and I are so very proud of your little ones!

All of the children are all more than ready for a break now; I think you must have had some very tired little ones to wake up this week! Enjoy the break and we look forward to welcoming you all back on Tuesday 2<sup>nd</sup> November.
